

STUDY ABROAD

TIPS FOR SUCCESS

BE PROACTIVE

Start **researching** early in your college career.

Use **USF's resources** to learn more about study abroad.

Know when the **deadlines.**

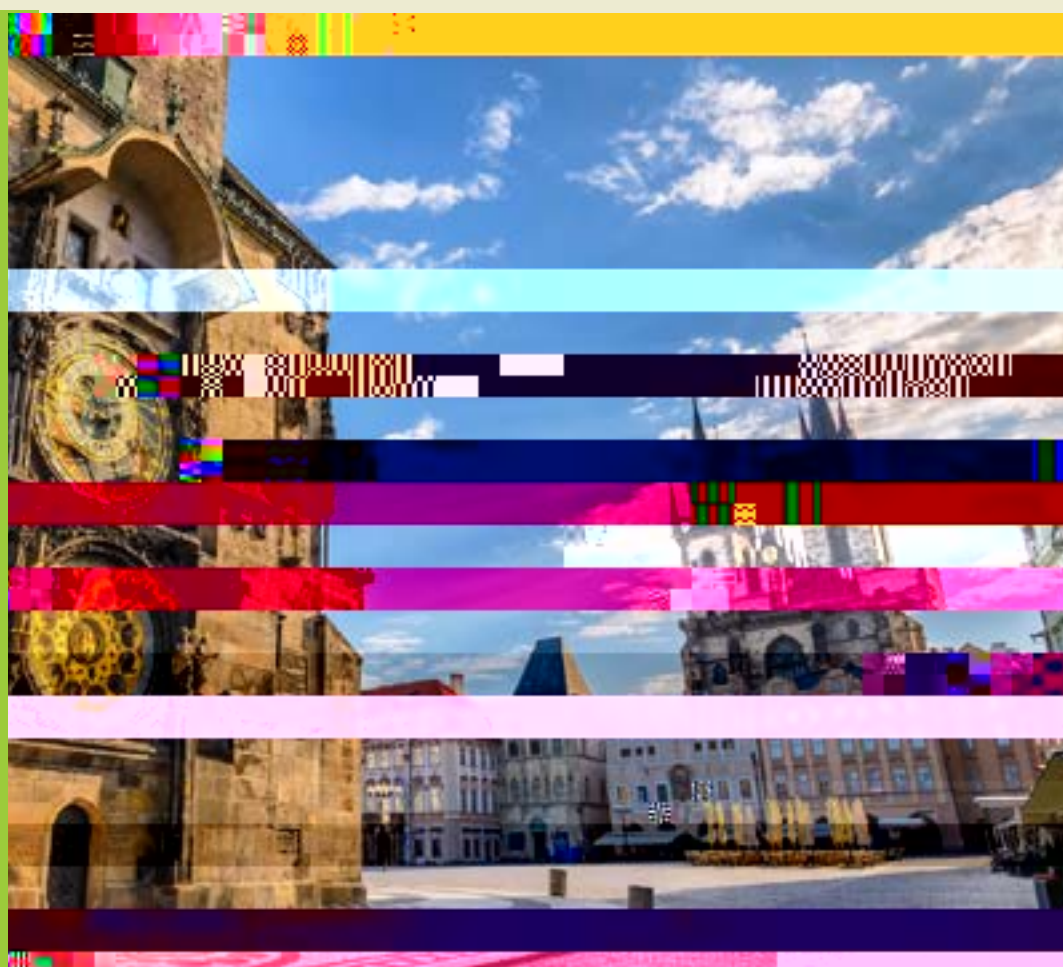

Seek out **funding opportunities.**

ASK YOURSELF WHY YOU WANT TO STUDY ABROAD

This is important to understand, since it can help you plan ahead. For example, if studying abroad is required for your program, you might want

USE ALL YOUR RESOURCES, AND FIND HELP IF NEEDED

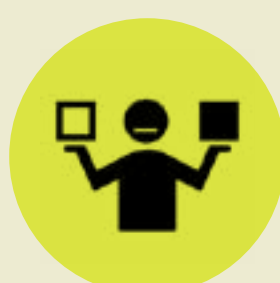

Get familiar with the Study Abroad Offices at USF. They will be able to provide relevant information.

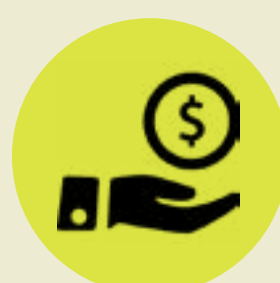

LEARN ABOUT MULTIPLE PROGRAMS BEFORE MAKING A DECISION

Consider programs in your college, adjacent programs.

Learn difference between study abroad and exchange programs.

Understand the cost and what is included in each program.

Consider more than just destination.

PAY ATTENTION TO DEADLINES AND REQUIREMENTS

Once you have selected a program and been accepted
